-  **24/7 Phone Support**

Search rankings and other useful reports to guide your marketing

-  **Weekly Search engine rankings** report
-  **Uptime Monitoring of your website** - sms alert of any outage
-  Your company name on the **first page of the search engines**
-  **Report of inwards links, referrals and directories** linking to your website

Advanced Marketing plugins

-  **Akismet** superior web comment spam filter
-  **Thrive Headline Optimiser** - split test headlines
-  **Thrive Ultimatum** - countdown timer for expiry of offers
-  **Thrive Leads** - Amazing buttons and forms which change depending on who is viewing your site and what action you want them to take.

All the professional features plus adwords support:

\$125 of free **adwords**
if new account

Only 10% management fee
instead of usual 20% fee

No Setup admin fee
if adwords setup as part of this
package
